B.M.S COLLEGE FOR WOMEN Autonomous
Institution under Bengaluru City University,
NAAC Accreditation: "A" Grade
Bugle Rock Road, Basavanagudi, Bengaluru – 560 004

RESEARCH POLICY

The college is committed to promote research culture among faculty and students. The Research Policy of the college aims to develop and promote scientific temper and research aptitude of all learners; to identify research areas of academic, practical and social significance thus contributing to national development. It also aims at ensuring that the research activities of the college conform to all applicable rules and regulations of UGC and affiliating University. It also emphasizes the established standards relating to safe and ethical conduct of research.

Objectives

- To provide a proper coordination of all research activities of the college.
- To identify and inform researchers about the appropriate research opportunities announced by different academic, research, industry or government organizations.
- To promote interdisciplinary research and establish modalities for preparing and undertaking joint research projects, covering more than one knowledge domain.
- To encourage and facilitate the publication of the research works in reputed academic career.
- Publications in International / National Journals, to facilitate the presentation of the research work through academic events such as workshops/seminars/conferences.

The Policy apply to:

All the faculty who wish to pursue research.

All the staff appointed as part of research projects.

All the students who do research as part of their curriculum.

Policy for Seed Money for Research

- To encourage emerging researchers, college will call for research proposals from its faculty every year and provide seed money for a maximum of two years for selected proposals.
- Screening committee for disbursing seed money will comprise Principal, Vice Principals, Dean Academics, Research Committee Convener. After preliminary screening it will be sent to external members for final selection.
- Funding from external agencies for the same project, if received, will lead to termination of the financial assistance from the college.
- The College shall encourage its faculty members to present their work in International Conferences. As grant, registration amount will be provided to the faculty members to present their findings in International Conferences.
- Researchers have the right to conduct professionally appropriate research in the subject chosen without interference.
- Researchers are to follow highest professional standards in research design, procedure and evaluation.
- Ethics framework set by Government and professional regulatory agencies should be strictly followed.
- Researchers should refrain from misconduct or malpractices including plagiarism in research or publication.
- Required levels of confidentiality, in disclosure of methodology and major findings, must be kept.
- Researchers are encouraged by the institution to publish their work in high quality research Journals.
- Legal issues related to copyright, patent and publication are the sole responsibility of the researchers.
- All the publications should properly acknowledge the institution.
