

Janapada Jathre 2026

Alumnae Report

Alumnae involvement played an important role in the successful conduct of Janapada Jathre held on 04 February 2026 at B.M.S. College for Women. A total of 67 alumnae registered for the programme and actively associated themselves with the event, strengthening their bond with the college.

Several stalls were supported and managed by alumnae, contributing to the traditional and festive atmosphere of the campus. Mrs. Lakshmi Santhosh, Managing Director, Sudharshan Family Store, participated as an alumnae sponsor and also set up a stall. She extended support by distributing coupons to the staff, which was well received. A jewellery stall featuring 18K coated jewellery was managed by Ms. Bhavani Bai, an alumna. The Millets House stall was handled by Ms. Vidhyashree and Ms. Bhavana, both alumnae, promoting traditional and healthy food choices. The Basavanagudi Chats stall offering items such as Golgappa and Majige was managed by Ms. Pragna, an alumna. The Lush Florals stall, displaying satin bouquets and keychains, was managed by Ms. Apoorva and Ms. Aishwarya, who is a retired staff member of the college and also an alumna.

Alumnae also contributed to the cultural segment with one folk dance performance, adding value to the programme.

The event was anchored by Ms. Shree Lakshmi, an alumna of the college, whose role added pride and representation to the alumnae community. Dr. Anitha P, retired staff of Department of Botany and an alumna, was also part of the function, further reflecting alumnae presence and involvement.

In addition to these contributions, alumnae actively watched the cultural programmes, participated in the Janapada procession, and visited the stalls, showing enthusiastic engagement throughout the event. Overall, their participation added strength to the programme and reflected their continued association with the college and its cultural initiatives.
