- To inspire present students through alumni life experiences

Description of the Event

The Alumni Meet titled “Nostalgia – 20 Years Reunion” was successfully conducted on 10 January 2026 by the Alumni Association in association with the Department of Commerce. The event witnessed the enthusiastic participation of 11 alumnae from the class of 2005, who revisited their alma mater after two decades.

The programme commenced with a warm welcome to the alumnae. The participants had the privilege of meeting the Principal, Dean, and faculty members of the Department of Commerce. The interaction session provided an opportunity for meaningful dialogue on the institution’s growth, academic excellence, and the evolving role of alumni in institutional development.

The alumnae were taken on a campus walk, during which they revisited classrooms, corridors, and spaces that held cherished memories. This visit evoked a strong sense of nostalgia and emotional connection with the institution.

A special highlight of the meet was the interaction with retired faculty members, where the alumnae fondly reminisced about their student days. The retired faculty shared valuable life

experiences, professional insights, and words of wisdom, creating a deeply enriching and emotionally fulfilling session.

The alumnae also shared their personal and professional journeys, reflecting on the values, discipline, and academic foundation provided by B.M.S. College for Women shaped their careers and lives. Their experiences served as an inspiration and reaffirmed the institution's role in empowering women through education.

Outcomes of the Programme:

- Strengthened alumni-institution relationship.
- Enhanced sense of belonging and pride among alumni.
- Enhanced emotional bonding with the almatater.
- Provided an opportunity for knowledge sharing and life experience exchange.
- Reinforced the role of the institution in alumni career development.
- Encouraged future alumni participation and engagement.
